

## 2024-2025 MODEL DEGREE PROGRAM FOR INFORMATION SYSTEMS

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Business degree with an emphasis in Information Systems. The order in which these courses are taken may vary with course availability. However, normal degree progress in the College of Business requires that students complete the degree in a freshman, sophomore, junior, senior sequence.

**Students are responsible for completing all course prerequisites; prerequisites are strictly enforced.**

Most Business courses require a grade of C- or higher to include: INFS 1100 and all skills, junior core, senior capstone, and emphasis courses. Note: MATH 1040 requires a C or higher.

All classes are presumed to be 3 credits unless otherwise noted.
