

Bachelor of Innovation™ in Business Administration 2024-2025 ACADEMIC YEAR

The University of Colorado Colorado Springs, along with the College of Business, was established in 1965. The College, which is accredited by AACSB International-the Association to Advance Collegiate Schools of Business, awards the Bachelor of Innovation™ in Business Administration degree.

All students in AACSB Accredited programs must complete a minimum of 25% business content (30 credits).

GENERAL REQUIREMENTS

All students enrolled in the College of Business are subject to academic policies and procedures as outlined in the University of Colorado Colorado Springs Academic Catalog.

Please read the [2024 - 2025 Catalog](#) carefully.

The College of Business divides the curriculum into two components: Skills Courses and the Professional Program.

The undergraduate degree requires 120 semester hours with courses taken in general education, general business, innovation, and a cross-disciplinary area of interest.

Skills courses are completed in the freshman and sophomore years and provide students with a foundational knowledge of business skills and competencies. Skills courses must be completed with a C- or better and are the following courses: ACCT 2010, ACCT 2020, ECON 1010, ECON 2020, Core Writing Course, QUAN 2010, and QUAN 2020. MATH 1040 requires a C grade.

Upper-division Hours: A minimum of 45 credits must be upper-division (3000 or 4000-level) course work.

Residency: Candidates for the Bachelor of Innovation™ in Business Administration must complete a minimum of 30 credits of business course work as College of Business students (to include the innovation specific courses, junior core courses, BGSO 4000, INOV 4500 and STRT 4500).

Transfer Restriction: A maximum of 60 semester hours of appropriate academic credit taken at a junior or community college may be applied toward the undergraduate degree in business.

The College reserves the right to disallow any credit that is not appropriate academic degree credit.

The College does not allow students to pursue a 2nd bachelor's degree in business.

Upon the successful completion of the freshman and sophomore years, business students move on to the Professional Program. The Professional Program gives students the opportunity to gain knowledge of core business concepts but also allows students a focused area of study in their chosen emphasis. The Professional Program consists of the Junior Core classes (FNCE 3050, MGMT 3300, MKTG 3000, INFS 3000 and OPTM 3000), an emphasis (18 -24 hours - courses depend on student's choice) and two Senior Capstone courses (BGSO 4000 and STRT 4500). All Professional Program courses must be completed with a C- or better.

Emphasis students must maintain the following criteria:

- 2.0 cumulative CU GPA
- 2.5 College of Business GPA
- 2.5 Area of Emphasis GPA
- Completion of all skills, junior core, capstone, and emphasis courses with no grade below C-.

2024-2025 MODEL DEGREE PROGRAM FOR BI BUSINESS ADMINISTRATION

The following four-year plan lists all the specific course requirements for the Bachelor of Innovation in Business Administration degree. The order in which these courses are taken may vary with course availability. However, normal degree progress in the College of Business requires that students complete the degree in a freshman, sophomore, junior, senior sequence.

Students are responsible for completing all course requisites; requisites are strictly enforced.

Please consult the Schedule of Courses for specific course requisites.

Most Business courses require a grade of C- or higher to include: INFS 1100, all skills, junior core, senior capstone and emphasis courses.

Note: MATH 1040 requires a C or higher.

All classes are presumed to be 3 credits unless otherwise noted.

ROAR Program Overview:

Relationships ▪ Opportunities ▪ Acumen ▪ Readiness

Purpose:

The purpose of the ROAR program is to prepare undergraduate College of Business students for their transition from college to career. The program focuses on career exploration, career planning, professionalism, and networking. The goal of the ROAR program is for students to seamlessly transition from their academic careers as College of Business students to careers as business professionals.

Goals:

1. Provide students with an in-depth understanding of their interests, skills, and values, and how these match to particular jobs and professions.
2. Give students hands-on experience on how to write cover letters and resumes, practice effective interviewing techniques, develop effective job-hunting skills, and refine the art of building a professional network.
3. Immerse students in experiential learning opportunities to gain real-world experience prior to graduation. This may include internships, service-learning and volunteer opportunities, and part-time employment.
4. Help students converse, interact, and dress in a professional manner.
5. Provide students with tools to successfully transition from the College of Business to a career as a business professional.

COMPASS CURRICULUM

The Campus-Wide Education Program at UCCS

The Compass Curriculum is the campus-wide undergraduate, general education program at UCCS. This program was created to give you the right tools, knowledge, and experience for success in today's world after you graduate.

The goals of our general education program focus on three interrelated areas of learning, all of which are essential to an undergraduate education. Through the general education curriculum, students will develop competencies in each area and the ability to integrate these competencies as a foundation for lifelong learning.

Bachelor of Innovation students will meet the Compass Curriculum through college, major and BI specific coursework.
