*Public Safety Allocations
“Surviving, but not Sustainable”

- Backlog of needed maintenance and infrastructure upgrades
- Snowplows and graders that are worn out and need repair or replacement
- Critical IT servers and software that are obsolete
- Unfunded critical operational needs totaling over $73 million and unfunded critical capital needs totaling more than $385 million
El Paso County Property Trends

- Residential and commercial assessments are done every two years based on sales data.

- Property taxes collected in 2009 reflect assessments set in 2007. The appraisal data used to establish these assessments came from an 18-month study period ending June 30, 2006.

- 2009 and 2010 property sales will be reflected in 2011 assessments and 2012 collections.
Total assessed property values in El Paso County currently down an estimated 10% compared to actual 2009 valuations (using 2007-08 data).

County seeing more bank-owned (REO) activity—properties selling 20-30% below market value.

Short sales also increasing—properties selling 10-20% below market value.

County foreclosures remain high; may reach a record 5,000 by year’s end. Significant impact on future valuations.
El Paso County Historical Property Tax Revenues

(In Millions)

1998: $28.64
1999: $32.20
2000: $34.31
2001: $30.75
2002: $25.18
2003: $34.13
2004: $33.68
2005: $34.95
2006: $37.43
2007: $38.98
2008: $43.48
2009 Budget: $44.25
El Paso County’s Future

- Is it acceptable to wait an hour or longer for a Sheriff’s deputy to respond to citizens’ distress calls?
- Can we contract or privatize any County services?
- What about potential savings from County-City cooperation (e.g., facilities, maintenance, IT, etc.)?
- How do we address the historic trends of sales and property tax revenues, which serve as the County’s primary general funding sources?
Historical Allocation of Sales and Property Taxes

1988
- 41% Sales Tax
- 59% Property Tax

Budget 2008
- 63% Sales Tax
- 37% Property Tax
